ORDER

JED S. RAKOFF, U.S.D.J.

On September 28, 2005, the Honorable Gabriel W. Gorenstein, United States Magistrate Judge, issued a Report and Recommendation ("Report") in the above-captioned matter recommending that this petition for habeas corpus be denied.

After the Report issued, plaintiff submitted an objection dated October 10, 2005, which he supplemented with a further objection dated October 12, 2005. Having considered the matter de novo in light of those objections, the Court finds itself in total agreement with the reasoning set forth in the Report, which the Court hereby adopts by reference and, for the reasons therein, dismisses Armatullo's habeas petition with prejudice. In addition, because petitioner has not made a substantial showing of the denial of a constitutional right, a certificate of appealability will not issue, see 28 U.S.C. § 2253, and the Court certifies pursuant to 28 U.S.C. § 1915(a)(3) that any appeal from this Order would not be taken in good faith. Moreover, as petitioner's claim lacks any arguable basis in law or fact,

permission to proceed in forma pauperis is also denied. 28
U.S.C. § 1915(g); see also Seimon v. Emigrant Savs. Bank (In re
Seimon), 421 F.3d 167, 169 (2d Cir. 2005). Clerk to enter
judgment.

SO ORDERED.

JED S. RAKOFF, U.S.D.J.
